Bingo Caller's Card

Use your Bingo Caller's Card to call the bingo and keep track of which words you have already called.

Print two copies of the caller's card. Cut one copy up, fold the squares in half, and put them in a hat. To call the bingo, pull a square out of the hat, unfold it and read it out.

When you have called a word/number, tick it off on the second copy of the caller's card. You can use the second copy of the caller's card to check if a player has a winning card during a game.

It's got no vowels	It's a dead language	You could spend the money on kidney machines	It's more useful to learn Chinese
It's racist against the English	People only use it to talk about you in pubs	Everyone can speak English anyway	No one should be forced to learn it
Nationalists have too much power already
