Safety First!

Before you print all your bingo cards, please print a test page to check they come out the right size and color. Your bingo cards start on Page 3 of this PDF.

If your bingo cards have words then please check the spelling carefully.

If you need to make any changes go to mfbc.us/e/s62m5a

Play

Once you've checked they are printing correctly, print off your bingo cards and start playing! On the next page you will find the "Bingo Caller's Card" - this is used to call the bingo and keep track of which words have been called. Your bingo cards start on Page 3.

Virtual Bingo

Please do not try to split this PDF into individual bingo cards to send out to players. We have tools on our site to send out links to individual bingo cards. For help go to myfreebingocards.com/virtual-bingo.

Bingo Caller's Card

Use your Bingo Caller's Card to call the bingo and keep track of which words you have already called.

Print two copies of the caller's card. Cut one copy up, fold the squares in half, and put them in a hat. To call the bingo, pull a square out of the hat, unfold it and read it out.

When you have called a word/number, tick it off on the second copy of the caller's card. You can use the second copy of the caller's card to check if a player has a winning card during a game.

I feel like I've known you my whole life and did I mention I love you	Your mother could hold onto a prince in her sleep	he was draining all of my magic with an ember and I felt all all of my power slipping away	I do not want to take away your dream because it was so beautiful and it's why I fell in love with you	I'm so tired of pretending. Where's my happy ending?	I've got friends on the other side	She may be an evil lunatic but at least she stayed around!
I steal souls. Were you expecting flowers?	Most people get dumped because they aren't good enough. I got dumped because I'm not bad enough	If you think I trust you to save the world on your own - think again!	Here's a thought: we can try to be friends. Put out history behind us and celebrate out differences	You, my little duckling, are ravishing!	Dragons don't lose sleep	We're stronger together!
I wish I could be in both places	Since when do heroes care about villains?	I'm gonna have to miss you all over again	I've learned that you can't live in fear because it doesn't actually protect you from anything	We are all capable of good and bad no matter what side of the barrier we come from	It's time for forgiveness it's time for new beginning	Hi Dad!
Without Uma, Harry, and Gil Aurodon would be gone and without Hades, my father, Audrey would be gone	I want my Mommy	Make this armor bust a move

Descendants 3 Movie Quote Bingo

It's time for forgiveness it's time for new beginning	Without Uma, Harry, and Gil Aurodon would be gone and without Hades, my father, Audrey would be gone	I want my Mommy	Make this armor bust a move	Dragons don't lose sleep
She may be an evil lunatic but at least she stayed around!	Most people get dumped because they aren't good enough. I got dumped because I'm not bad enough	I wish I could be in both places	If you think I trust you to save the world on your own - think again!	Hi Dad!
You, my little duckling, are ravishing!	I've got friends on the other side	FREE SPACE	I've learned that you can't live in fear because it doesn't actually protect you from anything	I'm gonna have to miss you all over again
We're stronger together!	I do not want to take away your dream because it was so beautiful and it's why I fell in love with you	Your mother could hold onto a prince in her sleep	he was draining all of my magic with an ember and I felt all all of my power slipping away	Since when do heroes care about villains?
Here's a thought: we can try to be friends. Put out history behind us and celebrate out differences	I steal souls. Were you expecting flowers?	I feel like I've known you my whole life and did I mention I love you	I'm so tired of pretending. Where's my happy ending?	We are all capable of good and bad no matter what side of the barrier we come from
