If your bingo cards have words then please check the spelling carefully.

## Play

Once you've checked they are printing correctly, print off your bingo cards and start playing! On the next page you will find the "Bingo Caller's Card" - this is used to call the bingo and keep track of which words have been called. Your bingo cards start on Page 3.

# Bingo Caller's Card

Use your Bingo Caller's Card to call the bingo and keep track of which words you have already called.

Print two copies of the caller's card. Cut one copy up, fold the squares in half, and put them in a hat. To call the bingo, pull a square out of the hat, unfold it and read it out.

When you have called a word/number, tick it off on the second copy of the caller's card. You can use the second copy of the caller's card to check if a player has a winning card during a game.

Think "Biblically"	Did you pray about it?	It's a "spiritual problem."	Being Dead to the things of the world
Not All Christians	respond to hate with love	"love your enemies"	You're a Christian first
Heaven doesn't have these struggles	This is a great time to witness to others	"White Blessings"	This is teaching you to rely on God
Black lives matter is about societal acceptance.
