## Safety First!

Before you print all your bingo cards, please print a test page to check they come out the right size and color. Your bingo cards start on Page 3 of this PDF.

If your bingo cards have words then please check the spelling carefully.

If you need to make any changes go to [mfbc.us/e/xbeanre](https://mfbc.us/e/xbeanre)

## Play

Once you've checked they are printing correctly, print off your bingo cards and start playing! On the next page you will find the "Bingo Caller's Card" - this is used to call the bingo and keep track of which words have been called. Your bingo cards start on Page 3.

# Bingo Caller's Card

Use your Bingo Caller's Card to call the bingo and keep track of which words you have already called.

Print two copies of the caller's card. Cut one copy up, fold the squares in half, and put them in a hat. To call the bingo, pull a square out of the hat, unfold it and read it out.

When you have called a word/number, tick it off on the second copy of the caller's card. You can use the second copy of the caller's card to check if a player has a winning card during a game.

I always put the tv volume on the same number	My husband and I collect owls together	I am ambidextrous	I cannot do a forward nor a backward roll.	It seems to me that Germans are the most warm people of the world.	I prefer playing iconic tracks from movies etc. with my guitar
I can speak Dutch, English and a little German, Spanish and Japanese.	I've spoken to the UN in New York as a Youth Ambassador about 10 years ago.	I have won 2 national championships in Judo.	<b>I like going to festivals</b>	At home, I walk on wooden shoes (klompen) and they're quite comfortable	I can not turn my left eye in one direction.
<b>Gelato is my favourite dinner</b>	<b>I hate talking at the phone</b>	I have lived in 5 countries before the age of 23	One of my upper teeth is partially fake (bumped against a wall at the swimming pool)	I have a phobia of spiders (arachnophobia).	I used to work as a professional musician in big venues
I worked on a cattle farm in New Zealand for 9 months.	I'm also a lowkey avgeek (aviation nerd) and love to travel.	<b>I have been on the radio</b>	I am shorter than an average 14 years old Dutch girl.	Got stuck in a kid's dining chair because I was too fat	I caught a mouse and tried to keep it as a pet, but it died...
I have watched friends too many times and still do when an episode pops up.	Two hours after giving birth to my son, we still hadn't decided on a name for him.	I have watched over 200 days worth of series.
