## Safety First!

Before you print all your bingo cards, please print a test page to check they come out the right size and color. Your bingo cards start on Page 3 of this PDF.

If your bingo cards have words then please check the spelling carefully.

If you need to make any changes go to [mfbc.us/e/zhm7kwk](https://mfbc.us/e/zhm7kwk)

## Play

Once you've checked they are printing correctly, print off your bingo cards and start playing! On the next page you will find the "Bingo Caller's Card" - this is used to call the bingo and keep track of which words have been called. Your bingo cards start on Page 3.

# Bingo Caller's Card

Use your Bingo Caller's Card to call the bingo and keep track of which words you have already called.

Print two copies of the caller's card. Cut one copy up, fold the squares in half, and put them in a hat. To call the bingo, pull a square out of the hat, unfold it and read it out.

When you have called a word/number, tick it off on the second copy of the caller's card. You can use the second copy of the caller's card to check if a player has a winning card during a game.

# Legal Advice Bingo

It was technically illegal, but only a little bit.	Asking on behalf of a friend	Talk it out? No, I just want to sue.	*not answering any followup questions*	Everybody clapped
I can't be in trouble, I'm perfect	98% of comments removed by moderators	Basic details are confidential	It's not a crime if I didn't know it was	My evidence is an illegally obtained recording
I lost badly, but I really want to appeal	My landlord is literally the devil	<b>FREE SPACE</b>	The police could not possibly have lied to me	OP's comment history reduces credibility
I can't be fired if I obeyed the law	Some random non-lawyer told me I'm right	Someone was rude to me for no reason	Update: The bad guys lost and I lived happily ever after	Everyone except me is literally the devil
My roommate is literally the devil	My parent is literally the devil	Please tell me my lawyer is wrong	I signed it without reading. Problem?	Lede buried deep in comments
